More sites required for 2017

We have a nationwide requirement to fulfill our growth plans which requires the opening of three clubs per month!

- Part of the UK's largest fitness and wellness franchise with close to 100 clubs operating across the UK, and mainland Europe. Annual network turnover of £30m.
- Rebranding throughout 2017 to position énergie Fitness as the leading fitness club brand in the UK.
- Funding for a potential 50 more clubs to open in the next 18 months.

Site requirements:

- Close to transport hubs, visible to both vehicle and pedestrian traffic.
- Leasehold properties between 4,000-9,000 sq.ft.
- Ground floor preferred but basement or 1st floor also considered.
- Ideally open plan with a minimum ceiling height of 2.8 metres (slab to slab).
- Adjacent or close to car parks, private or public parking (e.g. pay & display) or free on road parking nearby.
- Good opportunities for external signage.
- Lease terms from 10 - 25 years.
